**4a. Do you have a DoD CAC or acceptable PIV for base entry?**

**If yes**, contact Marian Roberts at 401-841-2303 or [marian.roberts@usnwc.edu](mailto:marian.roberts@usnwc.edu) to inform her you have a CAC or acceptable PIV card. Ensure your CAC/PIV expiration date is later than 1 July 2021. If it expires before 1 July 2021, you must get a new CAC/PIV at your current location.

PIV or PIV-I cards are accepted from the following agencies:

Department of State	Department of Commerce
Department of Treasury	Department of Labor
Department of Justice	Department of Health & Human Services
Department of Interior	Department of Housing & Urban Development
Department of Agriculture	Department of Transportation
Department of Energy	Department of Education
Department of Veterans Affairs	Department of Homeland Security
United States Postal Service	

Skip to #5 if you have ID as stated above.

**4b. If no**, read on and **follow all instructions in their entirety**.

\* Fill out the Vetting Form (attachment 7) and return to Marian Roberts via fax, 401-841-7568, encrypted email, or DOD Safe Site site (<https://safe.apps.mil/>) **no later than 30 April**. Upon arrival, you must first go to the Pass & ID Office outside Gate 1 (use the address 299 Cloyne Ct., Newport, RI in your GPS). Have your vehicle registration, insurance card, driver's license, and one other form of ID (as specified on page 3 of the vetting form) with you. They will give you a temporary pass so you can get on base for the next couple of days until you are issued a CAC.

**5. Now that we've gotten you on base, we have to get everyone a DOD CAC.** If you have a DOD CAC, skip to #6. If you do not have a DOD CAC, continue reading and follow all instructions in their entirety. Your PIV will not work on our network.

\* Contact Marian Roberts at 401-841-2303 or [marian.roberts@usnwc.edu](mailto:marian.roberts@usnwc.edu). Inform her that you need to get a CAC.

\* If possible, it is highly recommended that you plan to arrive a few days prior to the CIV report no later than date in order to facilitate acquisition of a CAC to minimize disruption to your orientation schedule. The NWC security point of contact for the CAC issuance is Ms. Lori Murphy, [lori.murphy@usnwc.edu](mailto:lori.murphy@usnwc.edu). You may hear from her if she needs additional information from you.

\* Please inform the Dean of Students office of your expected date of arrival.

\* Fill out the TASS Registration Form (attachment 8) and return to Marian Roberts via fax, 401-841-7568, encrypted email, or DOD Safe Site site (<https://safe.apps.mil/>) **no later than 30 April**.

## 7. Security Clearance Information

Attendance at the Naval War College requires at least a SECRET level clearance. If you are not currently cleared for SECRET or are due for a periodic review (PR), you should initiate the request immediately at your current command. While a SECRET clearance is required, most courses are taught at the unclassified level.

Though it is not necessary to have a current TS/SCI eligibility, some of our Elective courses and Special Programs/Advanced Research Projects (ARPs) are held at this level. If your most recent personnel security investigation for TS/SCI is older than six years, please note that our SSO cannot submit you for a reinvestigation upon your arrival solely for the purpose of taking an Elective course (as it does not meet the “need-to-know” threshold). SIPRNET accounts will NOT normally be established unless academic or community requirements dictate access. Intel and Special Operations community members should make an appointment with the SSO for local access requirements.

If you are SCI-eligible please have your SSO forward your clearance information via JPAS to SMO code N001243 or via SCI message traffic to NAVWARCOL.

#### 9. Theater Security Decision Making Seminar:

During the Fall 2020 trimester, all CNCS students will take Theater Security Decision Making (TSDM) as a Core Curriculum course and will be assigned to a "regionally focused" seminar aligned with the respective Combatant Commanders' area of responsibility (EUCOM, INDO-PACOM, CENTCOM, SOUTHCOM (+Mexico and Canada) or AFRICOM). Seminar discussions and readings are tailored to specific regions and faculty members are assigned based on their regional expertise and experience. Our goal is to assign as many students as possible to the region of their choice based on possibility of future regional assignment (orders in hand or expecting orders), existing expertise (previous tour or deployment in a region), and/or interest in a particular region. However, due to the size of the CNCS class, it is not possible to place every student in their first choice of region. Therefore, please provide amplifying information on your priorities so we can make an informed decision regarding your student seminar assignment. Indicate **your top three regional preferences** on the Regional Choices Survey Form (see link below) NLT **Noon 18 June 2021**.

## **The Naval War College Digital Curriculum / Bring Your Own Device Policy**

Based on extensive research and evaluation, the Naval War College is digitizing a majority of the curriculum with the intent to provide an improved educational experience for our students, save printing costs, and do our part to help save the environment by reducing our use of paper.

**What does this mean for me?** The NWC is no longer issuing all curriculum materials in print form. Students will now be provided digital copies (in lieu of printed materials) for all curriculum materials that can be digitized.

### **Bring Your Own Device**

The NWC has adopted a Bring Your Own Device (BYOD) policy. All students are required to bring their own laptops or tablets in order to access the digital curriculum. The college will provide you with the formatted readings and instructions on how to load them onto your device. By using your own device, you will be able to retain all the selected readings on your tablet for future professional reference. **Bring your device with you as you will need it to do your electronic check-in and in-processing and attend Zoom sessions for orientation and online office calls.**

### **Suggested Devices**

Nearly all devices will work with the Naval War College's digital curriculum. In the past we have had success with Microsoft products, Apple products, and Android products. Some examples include iPads and the Microsoft Surface. Traditional laptops (PC and MAC) work just as well.

### **War College Email and Wireless Network Access**

Mobile devices such as phones and tablets and laptops will not require a CAC reader to access email or calendars.

While at NWC, students will be able to access a wireless network within the Naval War College. Personal devices should have the latest security and software updates as well as a current anti-virus program installed. If they do not, they may not be allowed to join the wireless network.

**Can I get ALL my readings in digital format?** Not yet. Required readings for your courses are either "Selected Readings" (articles and the like) or books. We have been successful in converting 95% of the Selected Readings to digital format and they will be available for loading onto your device. Regarding books, most of those used in our curriculum are not yet available digitally; however, the College is working with publishers to make them available in the future. In the meantime, students will be issued the print version of books that are not yet available in digital format.

**Will the NWC support/service my personally owned device?** No. NWC personnel are not authorized or trained to provide servicing of personal devices. The NWC can

only provide the formatted readings and instructions for you to load the readings onto your personal device.

**Can I buy a device from the NWC?** No. Devices are available directly from the manufacturer or at military exchanges and other retail outlets.

**Does the NWC have loaner laptops?** No. You must bring your own device.

**What should I do before arriving in Newport?** If you already have a personal device you would like to use, do your best to make sure it is up to date. This includes Apple updates, Windows updates, and software updates (Java, Flash player, Internet Browser, etc.), and current anti-virus software such as McAfee, Norton, or Symantec. If you do not have a device, please purchase one and update it.

**Bring your device with you as you will need it for accessing Blackboard to complete your NWC student check-in and in-processing. You will also use it for virtual Zoom sessions for office calls and orientation.**

## Advance moving tips for new students:

### Here are a couple of ideas...

Students contemplating Government – Privatized quarters are advised units are small and may require storage of excess property. Naval War College and Surface Warfare Officers School students should review floor plans contained in housing information bulletin and ship only those household goods that can be accommodated in the units.

*“Recommend members utilize non-temporary storage at origin under the entitlements outlined in JTR 052008 HHG with a Courses of 20 or more weeks at any one location.”*

---

Students are encouraged to remind their personal property counselor to review the Personal Property Consignment Guide (PPCIG) prior to making final shipment arrangements to Newport RI. Limiting the amount of property you ship to Newport will greatly aid in our ability to service all graduating students during your departure.

---

## Graduating students moving tips:

Peak moving season is extremely challenging for graduating students. Carrier capacity during June – July is at a premium. Graduating students are encouraged to avoid the last two weeks of June through 4 July.

### Optimal move dates...

Once you have received your orders you should look to plan early to secure dates. Recommended timeframes are 1 through 15 June or sometime after 4 July. Service failures are more likely in-between these dates so students are advised to plan accordingly and to be flexible.

*Don't forget before you can secure your move dates you must have travel orders in hand.*

### Things to factor in when departing:

Create a Defense Personal Property System(DPS) account.

Contact our office as soon as PCS orders are received to set up an appointment

Provide primary and alternate dates to HHG office. Alternate dates must be at least 1 week after the requested primary dates.

Allow days to clear out of housing

Have a contingency plan in case primary or alternate dates are not available-if no government contractor available to move property may want to procure own moving company (personally procured move) PPM.

Any travel questions need to go through your travel admin personnel.

Customers can access detailed key shipping information, links and other pertinent information on the Department of Defense Household Goods Portal at [www.move.mil](http://www.move.mil).
