5. Security Clearance Information
Attendance at the Naval War College requires at least a SECRET level clearance. If you are not currently cleared for SECRET or are due for a periodic review (PR), you should initiate the request immediately at your current command. While a SECRET clearance is required, most courses are taught at the unclassified level.

Though it is not necessary to have a current TS/SCI eligibility, some of our Elective courses and Special Programs/Advanced Research Projects (ARPs) are held at this level. If your most recent personnel security investigation for TS/SCI is older than six years, please note that our SSO cannot submit you for a reinvestigation upon your arrival solely for the purpose of taking an Elective course (as it does not meet the “need-to-know” threshold). SIPRNET accounts will NOT normally be established unless academic or community requirements dictate access. Intel and Special Operations community members should make an appointment with the SSO for local access requirements. Military students do not require an SCI transfer in status (TIS).

Forward your certificate of completion to the Supervisory Transportation Specialist, Ms. Nicole Brouillette at nicole.brouillette@usnwc.edu.

**Government Travel Charge Card Program Training**

The Travel and Transportation Reform Act (TTRA) of 1998, Public Law 105-264 requires that all DoD personnel, unless otherwise exempt, who perform travel as part of their duties will obtain and use an individually billed Government Travel Charge Card (GTCC) for all authorized expenses relating to official travel.

Upon check-in, you will be asked if you have a GTCC. If you do not, and you are not exempt, we will assist you with the application process. If you already have a GTCC, we will transfer your card to the Naval War College (NWC) hierarchy and update your information **UNLESS YOU ARE HERE ON LONG-TERM TDY ORDERS (PLEASE NOTIFY US UPON CHECK-IN IF THIS APPLIES TO YOU)**

GTCC regulation requires that all new applicants complete a GTCC Regulations Statement of Understanding as well as the “Program & Policies – Travel Card Program (Travel Card 101) (Mandatory) training course at the Passport website: https://www.defensetravel.dod.mil/Passport. This training is acceptable for both initial and refresher training. Refresher training and a new Statement of Understanding is required every three years. Refresher training from other Department of the Defense (DoD) sources is also acceptable. Navy (DON) Cardholder (CH) Refresher Training can be found at the DON Consolidated Card Program Management Division (CCPMD) website: https://www.navsup.navy.mil/public/navsup/ccpmd/travel_card. If you have completed the required refresher training from any acceptable source within the past three (3) years from the date of check-in, and can provide your certificate of completion, you will not be required to take the training again until the 3-year anniversary date on your certificate.

The following information is needed for your certificate:

- Agency Program Coordinator (APC) name: Tyler T. Hyde
- Command name: Naval War College
- Hierarchy levels 1 through 4: 7120001, 0022000, 0032650, 0042010

Bring your training completion certificate with you when you report aboard.

**Questions regarding the GTCC Program can be directed to travelnwc@usnwc.edu or the Travel Card APC, Tyler Hyde (tyler.t.hyde@usnwc.edu).**
The Naval War College Digital Curriculum / Bring Your Own Device Policy

Based on extensive research and evaluation, the Naval War College is digitizing a majority of the curriculum with the intent to provide an improved educational experience for our students, save printing costs, and do our part to help save the environment by reducing our use of paper.

**What does this mean for me?** The NWC is no longer issuing all curriculum materials in print form. Students will now be provided digital copies (in lieu of printed materials) for all curriculum materials that can be digitized.

**Bring Your Own Device**
The NWC has adopted a Bring Your Own Device (BYOD) policy. All students are required to bring their own laptops or tablets in order to access the digital curriculum. The college will provide you with the formatted readings and instructions on how to load them onto your device. By using your own device, you will be able to retain all the selected readings on your tablet for future professional reference. **Bring your device with you as you will need it to do your electronic check-in and in-processing and attend Zoom sessions for orientation and online office calls.**

**Suggested Devices**
Nearly all devices will work with the Naval War College’s digital curriculum. In the past we have had success with Microsoft products, Apple products, and Android products. Some examples include iPads and the Microsoft Surface. Traditional laptops (PC and MAC) work just as well.

**War College Email and Wireless Network Access**
Mobile devices such as phones and tablets and laptops will not require a CAC reader to access email or calendars.
While at NWC, students will be able to access a wireless network within the Naval War College. Personal devices should have the latest security and software updates as well as a current anti-virus program installed. If they do not, they may not be allowed to join the wireless network.

**Can I get ALL my readings in digital format?** Not yet. Required readings for your courses are either “Selected Readings” (articles and the like) or books. We have been successful in converting 95% of the Selected Readings to digital format and they will be available for loading onto your device. Regarding books, most of those used in our curriculum are not yet available digitally; however, the College is working with publishers to make them available in the future. In the meantime, students will be issued the print version of books that are not yet available in digital format.

**Will the NWC support/service my personally owned device?** No. NWC personnel are not authorized or trained to provide servicing of personal devices. The NWC can

Updated 7 August 2020
only provide the formatted readings and instructions for you to load the readings onto your personal device.

**Can I buy a device from the NWC?** No. Devices are available directly from the manufacturer or at military exchanges and other retail outlets.

**Does the NWC have loaner laptops?** No. You must bring your own device.

**What should I do before arriving in Newport?** If you already have a personal device you would like to use, do your best to make sure it is up to date. This includes Apple updates, Windows updates, and software updates (Java, Flash player, Internet Browser, etc.), and current anti-virus software such as McAfee, Norton, or Symantec. If you do not have a device, please purchase one and update it.

  **Bring your device with you as you will need it for accessing Blackboard to complete your NWC student check-in and in-processing. You will also use it for virtual Zoom sessions for office calls and orientation.**

JOINT PERSONAL PROPERTY SHIPPING OFFICE – NORTHEAST
NAVAL STATION NEWPORT RI

People first – Mission always
“Recommend members utilize non-temporary storage at origin under the entitlements outlined in JTR 052008 HHG with a Courses of 20 or more weeks at any one location.”

Students are encouraged to remind their personal property counselor to review the Personal Property Consignment Guide (PPCIG) prior to making final shipment arrangements to Newport RI. Limiting the amount of property you ship to Newport will greatly aid in our ability to service all graduating students during your departure.

**Graduating students moving tips:**

Peak moving season is extremely challenging for graduating students. Carrier capacity during June – July is at a premium. Graduating students are encouraged to avoid the last two weeks of June through 4 July.  

**Optimal move dates...**

Once you have received your orders you should look to plan early to secure dates. Recommended timeframes are 1 through 15 June or sometime after 4 July. Service failures are more likely in-between these dates so students are advised to plan accordingly and to be flexible.

**Things to factor in when departing:**

- Create a Defense Personal Property System (DPS) account.
- Contact our office as soon as PCS orders are received to set up an appointment.
- Provide primary and alternate dates to HHG office. Alternate dates must be at least 1 week after the requested primary dates.
- Allow days to clear out of housing.
- Have a contingency plan in case primary or alternate dates are not available-if no government contractor available to move property may want to procure own moving company (personally procured move) PPM.
- Any travel questions need to go through your travel admin personnel.
- Customers can access detailed key shipping information, links and other pertinent information on the Department of Defense Household Goods Portal at [www.move.mil](http://www.move.mil).
