Personal laptop requirements

MOPC requires a Wi-Fi-capable laptop with CAC reader to access class materials via Sharepoint and complete specific homework assignments. If you cannot bring a computer, MOPC will provide a temporary laptop loaner. Identify your need for a laptop when you contact MOPC Admin.

Rental cars

A rental car or POV is highly recommended while attending this course. Limited dining options are within timely walking distance from Evans Hall and most on-base billeting locations.

Family Separation Allowance (FSA)

All Students **except those noted below** must submit a copy of their updated/ signed Page 2 upon check-in to have their FSA processed and paid while attending MOPC. Notably, Reservists (non-mobilized) FSA is processed through the Naval War College OSO's office. If you can not update your Page 2, you must process their FSA at your ultimate duty station. **MOPC is unable to process FSA for the following students:**

- IA MOB (any student coming via ECRC): You must submit a request through gaining command or inquire at ECRC if you can submit it through them.
- US Air Force, US Army, US Coast Guard, US Marine Corps students: parent service/command will process upon return
- Civilians: Not authorized FSA
- On TAD orders: Students will process upon return to their parent command.

Course Material / Read Ahead

All students will be issued an NWC email account and access to our SharePoint while attending the course. The Sharepoint will contain all the course material, including; schedule information, syllabus, readings references, planner references, and other helpful information. Recommended read-ahead material will be provided two weeks before the start of the course.

CIN/CDP/UIC

MOPC CIN: A-2G-5500, MOPC CDP: 13MV. The Naval War College staff and student UICs are 00124 and 30486, respectively.

MOPC Security Clearance

MOPC attendance requires a SECRET clearance for access to NWC facilities at Sims Hall. MOPC attendees must have a valid SECRET clearance to attend. The administrative department will verify your clearance before your course start date. If there are concerns about a clearance, don't hesitate to contact us. For non-Navy attendees, a security clearance verification/visit request must be submitted from the member's security officer to the Naval War College security office DISS. For non-DISS users, please submit your clearance information via fax (401) 841- 3004. Include the member's name, type of clearance, closed date, IT level, and NATO read-in information in your fax. This form must be on company letterhead and signed by the security manager. For more information, please contact us at (401) 856-5860.

Anyone with a TS/SCI, please get a TIS instead of being read out.

If your next billet requires TS/SCI, your orders should contain the following text:

"DETACHING COMMAND: MEMBER MUST HAVE A CURRENT SINGLE SCOPE BACKGROUND INVESTIGATION (SSBI) WITH ELIGIBILITY FOR TOP SECRET/SENSITIVE COMPARTMENTED INFORMATION (TS/SCI) BEFORE TRANSFERRING TO THIS COMMAND. IF THE MEMBER DOES NOT HAVE THE AFOREMENTIONED ELIGIBILITY THEN THE COMMAND DELIVERING THE ORDERS WILL INITIATE A REQUEST FOR SSBI VIA E-QIP DIRECT AND ENSURE IT HAS BEEN ACCEPTED AND IS BEING PROCESSED BY OPM."

If this text is missing and you believe it should be there, contact your Detailer. If you have not started this process, contact your SSO for guidance. Our course is unclass, but we will sometimes have discussions at the secret level. We will only verify your clearance status for Secret for the course, not for your follow on assignment.

Attire / Uniform Policy

Military:

NWU Type III or Service Khaki or service equivalent. Occasionally, we allow students to attend class in Business Casual attire, as outlined below.

Civilian:

Business Casual attire is the service khaki equivalent and includes a dress-quality collared shirt or turtleneck and dress slacks for men and either a dress or dress blouse and pants/skirt for women. Turtlenecks are acceptable but do not include collarless shirts or flight deck jerseys and do not contain logos on the collar or extreme logos elsewhere on the garment.

Seasonal dress uniforms (service dress blue/white, summer white, and winter blue) and civilian professional attire are **not** required. However, if you anticipate attending a special event at NWC or another local command (SWOS, NAPS, etc.), it is recommended you check on the dress code as many commands prescribe dress uniforms for specific events. Dress uniforms are usually required for distinguished visitors (Service secretaries, etc.) lectures. Civilian Professional Attire consists of a coat or sweater and tie, dress-quality collared shirt and dress slacks for men, dress or sport coat, dress blouse, and pants or skirt for women. Shoes are of a dress quality with both closed toe and heel. Sling-back shoes are an acceptable alternative for women.
