SEA Enrollment/Add/Drop a Class Instructions (CAC Required):

- 1) Students must first Register for an Empower account.
- 2) Once your Empower account is established, then you can <u>Enroll</u> in any SEA Class with quotas available using these instructions.

Nothing there? If a class does not appear in Empower, then all quotas are filled for that class.

IMPORTANT NOTE: if your Empower account was setup **prior to April 15**, **2016**, you must update your Empower account before your CAC login will work.

To update your existing Empower account, contact the NAVAL WAR COLLEGE HELP DESK at: 401-841-4900 or email: Helpdesk@usnwc.edu. Request your Empower account to be updated with your CAC DOD ID # (on the backside of your CAC). It may take up to 24 hours for the update to take effect. Once updated, you will be able to log into Empower with your CAC.

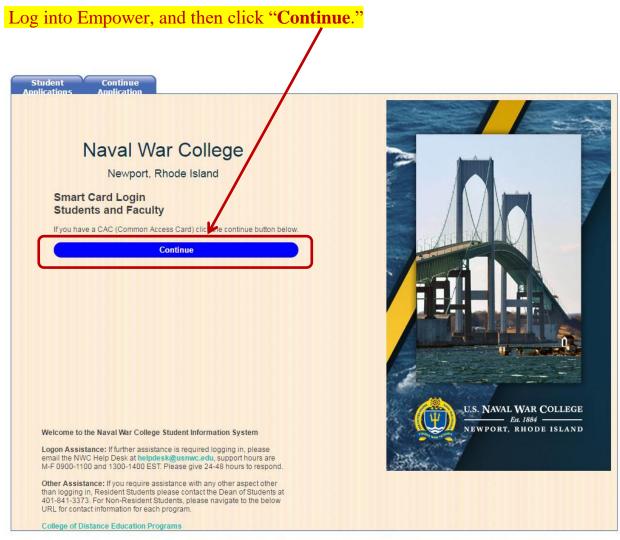

If you have any questions about registration or enrollment, feel free to contact us directly.

Within each registration window, certain limits may restrict the number of courses for which you will be allowed to register, the number of classes for which you can waitlist if registration is disallowed (for reasons such as being full to capacity, permission required, etc.). If registration is preclude your registration in one or more classes, the 1st Priority limit defines how many times you can indicate a class is your desired 1st priority. If the limit is 1, you can only designate one class as your 1st priority. If the limit is 2, you can designate two classes as your 1st priority. Etc.

This will bring you to the Student group you are assigned to. Click "continue."

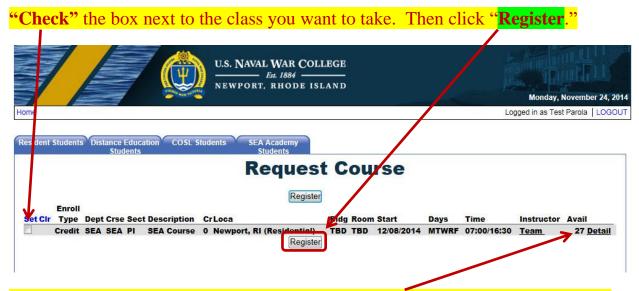

Logged in as SeaRes Parola | LOGOUT | Home

NOTE: If the class is full, it will show "0" in the **Avail** column and the "Check" box will be turned off. Please select a course that has available seats.

If you want more information about the course, click on the "Detail" button.

This screen will show up once you have successfully enrolled in a course.
